

God Made Pools of Water

Jeremiah 15:16, "God's Word makes my heart rejoice."

Child's Name _____

Dear Parent,

Thank you for giving us the opportunity to teach your child. Today we learned that God made pools of water. Water is such an interesting thing. We can wash with it, drink it, and even swim in it. We can have happy hearts when we know God's Word, because it tells us that He created pools of water.

Goal:

Each child should know the Bible tells us that God created our wonderful world and the things in it because He loves us.

Scripture:

Jeremiah 15:16, "God's Word makes my heart rejoice."

Song:

God Made Water, to the tune of **Are You Sleeping?**

God made water
God made water
Way down deep
Way down deep
Big pools of water
Little pools of water
Deep, deep, deep
Deep, deep, deep

Activity Suggestion at Home:

Give your child an opportunity to drop different items in a bowl of water to watch the items float or sink. Allow them to play in the bathtub with things they can pour with. Sing, **God Made Water** each time you pour them a glass of water.

Young children learn through simplicity and repetition. For this reason, we have provided you with the picture on the reverse side of this paper and the words to today's song. We encourage you to use the Bible verse, the song, and the picture as a daily reminder of the lesson taught today.
