### HERE IS WHAT I SAY!

Father God,  
I will speak Your  
Word, because  
the Faith in my  
heart follows  
the words of my  
mouth!

In Jesus' Name,  
Amen.

1. **BIBLE VERSE: Romans 10:9 (NLV),** "If you say with your mouth..., and believe in your heart..., you will be saved."
2. **BOTTOM LINE: Our Faith follows the words we speak!**
3. **BIBLE STORY: The Woman Who Spoke Her Healing (Mk 5:25-34)**

There was a lady in the Bible who was very sick. She went to many doctors and they all said the same thing - there was no cure for her. She had an "issue of blood," which meant that she could bleed a lot. One day, she HEARD about Jesus and her faith began to grow. She **said** if she could just touch His clothes she would be healed. She **said** this many, many times. One day, she found Jesus and she crept through the crowd and touched Him. When she did, she was instantly healed! Jesus felt that she touched Him, even though there were lots of people pressing in on Him. When the woman touched Jesus' clothes in faith, He felt God's power go out of Him. He then told her to go her way, that HER faith had made her whole!

**Point To Make:** She HEARD that Jesus healed, and then she SAID, "If I can touch Him, I will be healed."

## MAKE IT REAL

### Picture: Mouth, Bible

- Our mouth is not only used to eat, but to talk.
- For our faith to grow we need to HEAR God's Word *and* SAY God's Word.
- When we say what God says — that is our CONFESSION
- If we need healing for our body you can either believe and say:
  1. How *sick* you are, or...
  2. How Jesus has *healed* you!
- What you speak with your mouth *will* start to happen

## QUESTIONS TO ASK:

1. What do you do with your mouth? (*Eat and talk*)
2. How does our faith grow? (*We HEAR God's Word, and we SAY God's Word*)
3. If we feel sick what should we do? (*HEAR God's Word on healing, and then SPEAK (confess) God's Word on healing*)
