ABC's of Faith: LESSON 12

THE JUST SHALL LIVE BY FAITH

THE BASICS

1. **BIBLE VERSE:** Hebrews 10:38, *"The just shall live by faith."*
2. **BOTTOM LINE:** Faith is the way we live.
3. **BIBLE STORY: Noah: The Builder (Genesis 6:9-8:22)**

God spoke to Noah and asked him to build a huge boat, an "ark," because it was going to rain and the water would cover the whole earth. The ark needed to be big so that at least two of every animal could be on the ark. It took a whole year to build! It had never rained before, so people were making fun of Noah. He kept building the ark, though. Each day he would pick up his hammer and build. Once he got the ark built and the animals on the ark, it began to rain. Noah acted in faith. He obeyed God and worked very hard, and did not quit.

Point To Make: Noah acted on what God had said, no matter what it looked like or what people said. Noah was blessed because he lived by faith!

MAKE IT REAL

Picture: Toys and Bible

- Most stores that have toys send out a "Toy Catalog." It shows what they have for sale. You look through it, and pick out what you want to buy.
- If there is no picture, they don't sell it.
- When we decide to pray the Prayer of Faith, we have to make sure that what we are praying for is God's will, and we do that by finding it in God's Word.
- If you are believing God for healing because you have a runny nose, you will find the Word's promise that you can be healed. "By Jesus' stripes, you were healed" (I Peter 2:24)

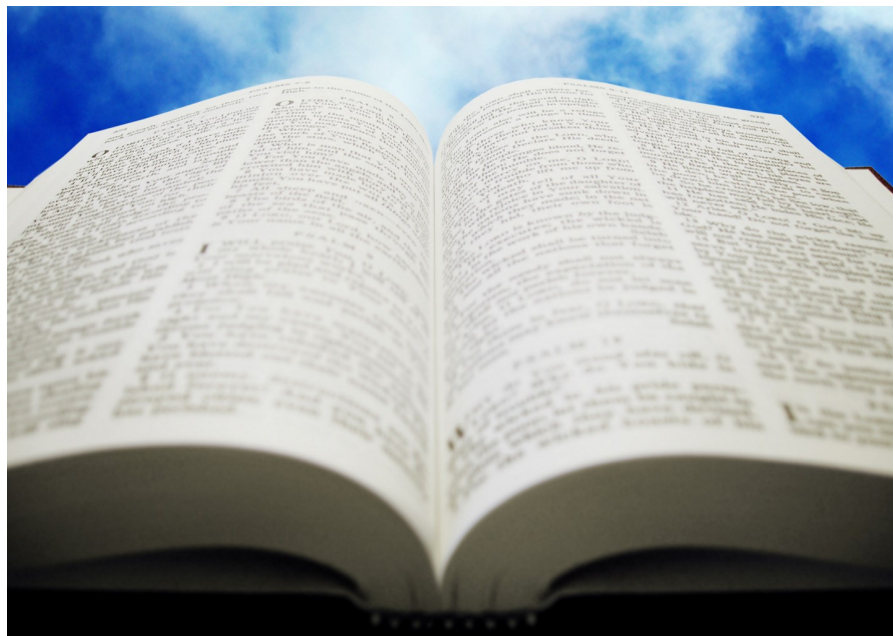

QUESTIONS TO ASK:

1. How did Noah use his faith when building the ark? (*He did what God asked him to do*)
2. When we want to pray the Prayer of Faith, how do we know if we are praying God's will? (*We must find what we want in God's Word*)
3. Bible Faith is always based on what? (*The Word of God; the Bible*)
