

# God Made the Light for Daytime

Jeremiah 15:16, "God's Word makes my heart rejoice."

Child's Name \_\_\_\_\_

**God Made the Light for Daytime**

Dear Parent,

Thank you for giving us the opportunity to teach your child. Today we learned that God made light for the daytime. God made a great big light that hangs up in the sky. It gives us light to see and warmth to feel. It even helps the plants to grow. We can have happy hearts when we know God's Word, because it tells us of the things He did for us.

**Goal:**

Each child should know that God created our wonderful world and the things in it because He loves us.

**Scripture:**

Jeremiah 15:16, *"God's Word makes my heart rejoice."*

**Song:**

**Big Yellow Sun**, sung to the tune, **Eentsy Weentsy Spider**

Great big yellow sun  
Was placed up in the sky  
God made the sun  
To give light to you and I  
First in the morn  
Out comes the big hot sun  
Then the little boys and girls  
Come out to have some fun

**Activity Suggestion at Home:**

Look through magazines and books to find and talk about pictures of people doing things outside. Allow your child to wear a pair of sunglasses to see how dark the light from a flashlight can become. If the weather permits, go for a walk and talk about how the sun allows you to see the wonderful things in this world. Let your child feel the breeze from a piece of paper folded to make a fan.

Young children learn through simplicity and repetition. For this reason, we have provided you with the picture on the reverse side of this paper and the words to today's song. We encourage you to use the Bible verse, song, and the picture as a daily reminder of the lesson taught today.
