

God Made the Light for Nighttime

Jeremiah 15:16, "God's Word makes my heart rejoice."

Child's Name _____

God Made the Light for Nighttime

Dear Parent,

Thank you for giving us the opportunity to teach your child. Today we learned that God made light for the nighttime. God knew everything He created needed to rest. We don't have to be afraid at night! God put the moon in the sky to give us light. We have happy hearts when we know God's Word, because it tells us of the things He did for us.

Goal:

Each child should know God created our wonderful world and the things in it because He loves us.

Scripture:

Jeremiah 15:16, *"God's Word makes my heart rejoice."*

Song:

Moon up High, sung to the tune of Mary Had a Little Lamb

God has put the moon up high
Moon up high, moon up high
God has put the moon up high
It's high up in the sky

The big moon shines at night
Shines at night, shines at night
The big moon shines at night
Giving us some light

Activity Suggestion at Home:

Look through magazines and books to find and talk about pictures of people doing things to get ready for bedtime. While playing lullaby music help your child prepare a baby doll for bedtime by giving it a bath, putting on pajamas and reading it a story. This is also a great time to establish a nighttime routine. Talk to your child about how God desires for our bodies to get the rest it needs, and He provided nighttime just for that! When you are outside at night, take a moment to look at the moon and stars.

Young children learn through simplicity and repetition. For this reason, we have provided you with the picture on the reverse side of this paper and the words to today's song. We encourage you to use the Bible verse, song and the picture as a daily reminder of the lesson taught today.
