

# God Made Fish

Jeremiah 15:16, "God's Word makes my heart rejoice."

Child's Name \_\_\_\_\_

Dear Parent,

Thank you for giving us the opportunity to teach your child. Today we learned that God made fish. God made fish very special, because they can breathe under the water. God made little fish that can live in a fishbowl in our homes and big fish that can live in the big pools of water outside. We have happy hearts when we know God's Word, because it tells us of about the wonderful things God made for us.

**Goal:**

Each child should know that God created our wonderful world and the things in it because He loves us.

**Scripture:**

Jeremiah 15:16, "God's Word makes my heart rejoice."

**Song:**

**God Made Fish**, sung to the tune of **Are You Sleeping?**

God made fish  
God made fish  
Swim around  
Swim around  
Swimming in the water  
Swimming in the water  
Way deep down  
Way deep down

**Activity Suggestion at Home:**

If you or a friend do not have fish at home, make a trip to your local pet store. Most of them carry a variety of different types of fish. If you call ahead, some pet stores will allow you to visit during the fish feeding time. Take a trip to the library and look through picture books or online to see the many types of fish. Show your child the many different sizes and types of fish that God created, along with some of the other animals that live in the water.

Young children learn through simplicity and repetition. For this reason, we have provided you with the picture on the reverse side of this paper and the words to today's song. We encourage you to use the Bible verse, song and the picture as a daily reminder of the lesson taught today.
