

# God Made Birds

Jeremiah 15:16, "God's Word makes my heart rejoice."

Child's Name \_\_\_\_\_

Dear Parent,

Thank you for giving us the opportunity to teach your child. Today we learned that God made birds. God made birds very special, because they have feathers and make beautiful songs with their whistling. Some birds live in trees and some birds live on the ground. Some birds even like to swim in the water. We have happy hearts when we know God's Word, because it tells us of the things He did for us.

**Goal:**

Each child should know that God created our wonderful world and the things in it because He loves us.

**Scripture:**

Jeremiah 15:16, *"God's Word makes my heart rejoice."*

**Song:**

**Birds Were Made**, sung to the tune of **Eentsy Weentsy Spider**

Some birds were made to fly  
Way high up in the sky  
Some birds were made  
To walk upon the ground  
Most birds were made to  
Make a pretty sound  
And teeny baby birdies  
Rest in a nest so round

**Activity Suggestion at Home:**

If you do not have a bird at home, you could go for a walk, or make a trip to your local pet store to see the different birds God created. Most pet stores carry a variety of different types of birds. You may even want to put out breadcrumbs or seeds somewhere in your yard to observe the birds that come to eat.

Young children learn through simplicity and repetition. For this reason, we have provided you with the picture on the reverse side of this paper and the words to today's song. We encourage you to use the Bible verse, song, and the picture as a daily reminder of the lesson taught today.
