

God Made Me Special

Jeremiah 15:16, "God's Word makes my heart rejoice."

Child's Name _____

Dear Parent,

Thank you for giving us the opportunity to teach your child. Today we learned that God made each of us special. God loves each one of us just the way we are. Some of us look similar and some of us do not. And that is okay! God gave us different body parts to help us enjoy the world around us. We have happy hearts when we know God's Word, because it tells us the things He did for us.

Goal:

Each child should know God created our wonderful world and the things in it because He loves us.

Scripture:

Jeremiah 15:16, "God's Word makes my heart rejoice."

Song:

You Are Special, sung to the tune of *Have You Ever Seen a Lassie?*

Did you know that you are special?
You're special, you're special
Did you know that you are special?
And cannot change that
You've one nose and one mouth
You've two eyes and two ears
Did you know that you are special?
And cannot change that

Activity Suggestion at Home:

Find items around the house and help your child determine what senses they use to enjoy that item. Does it smell good? Does it make noise? Find different items that the child can touch and feel the differences between the items. At mealtime, talk about the different tastes between the food items. Talk about siblings that might have the same color eyes and friends that may have different color hair. Celebrate how beautiful God made each one of us. Take special time each day to thank God and talk to Him about how wonderfully your child was created.

Young children learn through simplicity and repetition. For this reason, we have provided you with the picture on the reverse side of this paper and the words to today's song. We encourage you to use the Bible verse, song, and the picture as a daily reminder of the lesson taught today.
