

God Made Our Wonderful World

Jeremiah 15:16 "God's Word makes my heart rejoice."

Child's Name _____

Dear Parent,

Thank you for giving us the opportunity to teach your child. Today we reviewed the Creation lessons we have been learning the last several weeks. God made our wonderful world for people to enjoy. We have happy hearts when we know God's Word, because it tells us of the things He did for us.

Goal:

Each child should know that God created our wonderful world and the things in it because He loves us.

Scripture:

Jeremiah 15:16, "God's Word makes my heart rejoice."

Song:

Our Wonderful World, sung to the tune of *Hickory Dickory Dock*

God made our wonderful world
Filled with colors and shapes
Some things are big
Some things are small
God made our wonderful world

Activity Suggestion at Home:

Look at picture books and point out the wonderful things God made for us to enjoy in our world. If the weather permits, go outside and enjoy the wonderful world God created for you. Review old take home sheets and arrange them in order so that you may have the whole story of creation in a book form. You can also cut out pictures from magazines and put them in a photo album to make your own story of creation.

Young children learn through simplicity and repetition. For this reason, we have provided you with the picture on the reverse side of this paper and the words to today's song. We encourage you to use the Bible verse, song, and the picture as a daily reminder of the lesson taught today.
