CARE AND COUNSELING

Being there for you—that's why we are here. We want to be the place you can come for spiritual guidance, counsel, and help—in good times and bad. We are committed to helping you confidently address the practical, emotional, and spiritual needs you will face.

DIVORCE CARE

The effects of divorce can manifest themselves in a variety of ways. That's why our DivorceCare group is specifically equipped to help those that need guidance to navigate through a divorce.

HEALING SCHOOL

Jesus provided for our healing (spirit, soul, and body) on the cross. If you need healing or want to learn about ministering healing to others, please join us for a time of teaching, music, and ministry. We meet occasionally on Mondays at 6:45 p.m. For more information, visit lwcc.org/events.

LIVING FREE

Living Free Recovery Services offers a licensed primary outpatient faith-based substance use disorder treatment to adults 18 years of age and older. Our approach seeks to bring wholeness to every area of an individual's life: spirit, soul, and body. Our program is known for providing an atmosphere of God's love and acceptance along with biblically based treatment principles. We offer community support groups that are free and open to anyone. Support groups are key in maintaining long-term sobriety and also benefit individuals by providing new sober relationships and opportunities for recreation. For more information, visit livingfreerecovery.org.

GRIEF SHARE

GriefShare is a weekly group centered around helping you through challenges and moving toward rebuilding your life. Whether you have lost a spouse, child, family member, or friend, we want to be here for you. Walking through grief can be confusing when you feel isolated and have questions about things you may have never faced before. Each week, you'll learn strategies for navigating your grief journey while connecting with others encountering a similar season in life. Our goal is to provide comfort, understanding, and healing in a safe environment for you to discuss what you're facing emotionally, physically, and spiritually. We pray you feel encouraged with the hope only Jesus can provide.
